

2012 Bergevin Lane Vineyards  
Moonspell Cabernet Sauvignon

**91**  
**Points**

My favorite in the lineup was the 2012 Cabernet Sauvignon Moonspell, which is 94% Cabernet and 6% Petit Verdot that spent 20 months in 33% new French, American and Hungarian oak. A borderline fruit bomb, it has tons of ripe cassis, licorice, toasted spice and vanilla oak in a ripe, full-throttle, textured style....I loove its fruit. I suspect it will keep for at least a decade, but I don't see any need to delay gratification either.
