2020 Love-Struck Estate Viognier

Our Viognier grapes were pressed whole berry, creating richer expressive fruit flavors while preserving the delicate floral flavors. Barrel fermentation and extended aging on the fermentation lees leads to creaminess helping bring the aromas and flavors into balance. The idea behind this wine is to create an aromatic, romantic wine with elegance using tried and true old world techniques.

This is our Estate grown and bottled Viognier from Bergevin Springs Vineyard. Very aromatic with a pale straw color. Aromas of honey, honeysuckle, and citrus with flavors of pear, green apple, bright and fresh with balanced acidity. Summer in a bottle!
